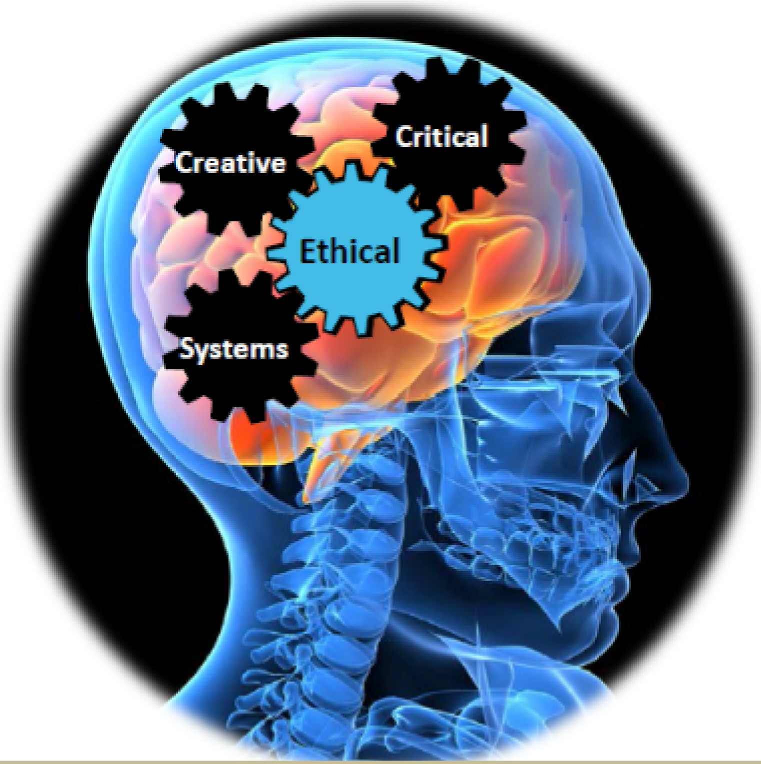
Establishing-The Army University

Challenges and Opportunities

BG John Kem
Army University Provost
December 2015

Why Does It Matter?

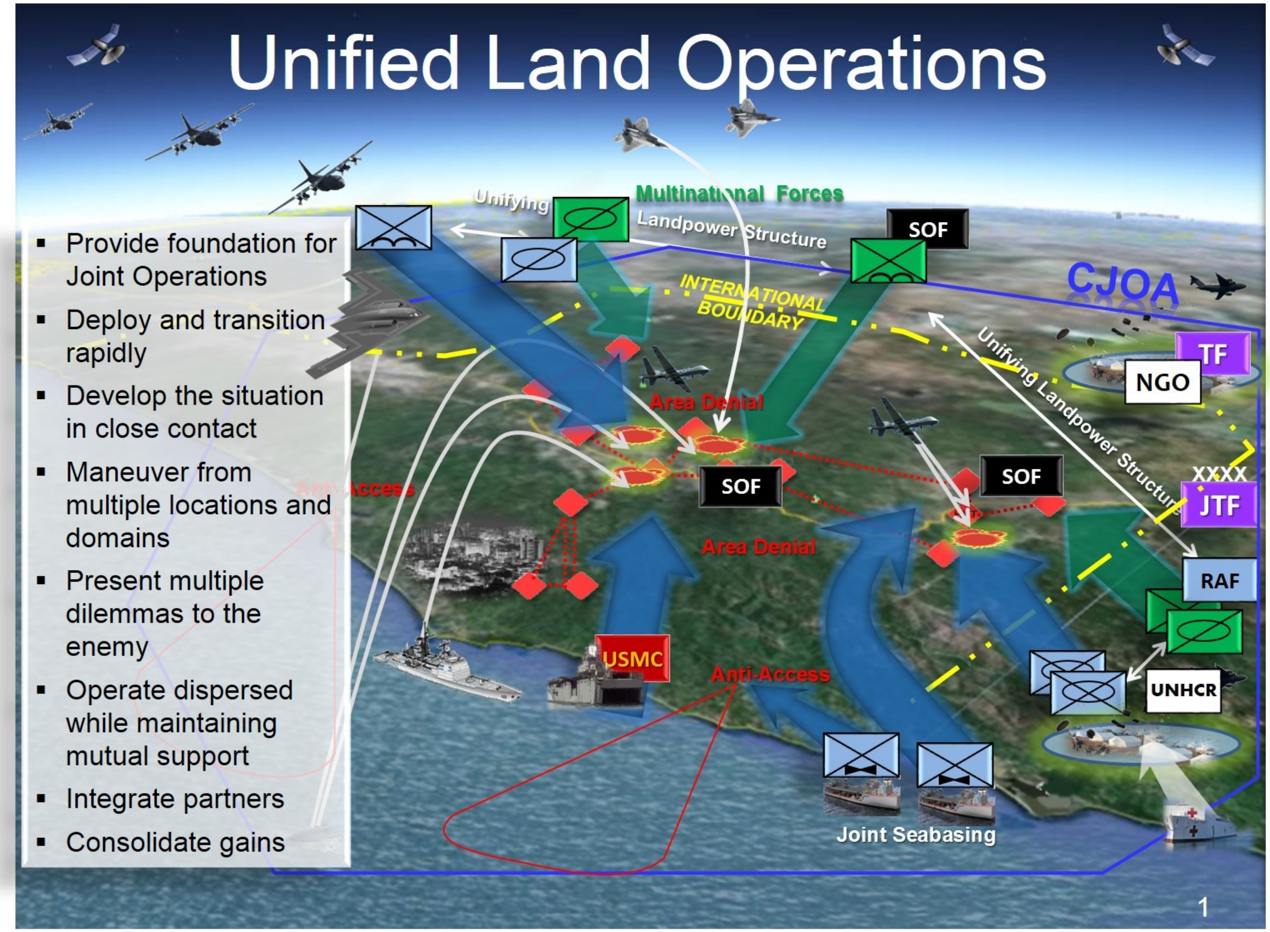


"The nation that will insist on drawing a broad line of demarcation between the fighting man and the thinking man is liable to find its fighting done by fools and its thinking done by cowards."

— Lieutenant General Sir William F. Butler, 1907

The Challenge

An Army education system that prepares leaders for the complex 21st Century security



The Army Operating Concept

Portends an increasingly volatile and uncertain world. <u>Winning in a Complex World</u> requires “innovative, adaptive leaders and cohesive teams who thrive in those complex and uncertain environments.”

ArmyU Vision and Initiatives

Vision

- ***Recognized*** for its academic rigor and relevance
- ***Respected*** as a prestigious educational institution
- ***Acknowledged*** for its management practices and institutional agility

- Agile, adaptive, and innovative Army Professionals
- Intellectual overmatch of potential adversaries
- Operational agility
- Enhanced Army Professional Military Education
- Broadened Joint Professional Military Education (JPME) I and II
- Committed professionals…Soldiers for Life

Force 2025 and Beyond

…positioned as a premier learning institution capable of <u>educating leaders to win in a complex world</u>.

Initiatives

Develop World Class Faculty**

Produce relevant curriculum**

Grow qualified students

School for Command Preparation

Army University Concept

THE ARMY UNIVERSITY

- Demonstrates the Army's **commitment to education** by increasing the academic rigor and priority of Professional Military Education
- Increases **the rate of innovation** across the educational enterprise in support of the Army Operating Concept
- Creates a **common understanding of education** across the Total Army and empowers institutional agility through unity of effort and networked collaboration
- Promotes **partnering and networking** with civilian universities and industry that expands and improves:
  - Research and Publishing
  - Faculty Development
  - Degree Opportunities
  - Curriculum Development
  - Technical Certification Opportunities
  - "Training with Industry" Programs
- **Enables Soldier professional development** with credit hours and certifications
- Fosters **synchronization** across all four cohorts (Officer / Enlisted / Warrant / Civilian) in TRADOC
- **Optimizes internal resources** by eliminating redundancies
- Leverages prestige and resources of **external organizations**
- **Integrates education** across over 70 separate TRADOC (internal) schools consolidated under one university system and synchronizes over 100 additional TRADOC
